

THE AIRCRAFT STRUCTURAL INTEGRITY PROGRAM CONFERENCE

2023

ATTENDEE & EXHIBITOR PROSPECTUS

An ARCTOS Hosted Event

OUR MISSION

The Aircraft Structural Integrity Program (ASIP) Conference's mission for over 39 years has been to bring the aircraft structures community together to share experiences, lessons learned, and new opportunities with ASIP execution to collectively advance and improve it. This Conference brings together the world leaders in aircraft structures in both military and civilian fleets. This interchange helps provide the communication and networking necessary to ensure that each community is aware of each other's capabilities and needs.

Join this strong community of decision makers as an exhibitor and/or sponsor today to showcase your latest innovations and position your organization as an expert resource. With attendees representing the major thrusts of this critical area – from government, academia, private institutions and over 15 international companies – the ASIP Conference will connect you with more of the professionals you aim to meet.
